

Pennsylvania Stigma and Discrimination Survey

**Your voice is important!
We want to hear from you!**

This anonymous survey aims to research experiences with stigma and discrimination in healthcare settings for people in the Special Pharmaceutical Benefits Program (SPBP) in Pennsylvania.

Stigma refers to being made to feel lesser, or inferior, or being treated differently than others because of who you are or how you live your life.

Take the survey to share your experiences with stigma and discrimination!
Your voice will help reduce stigma in Pennsylvania!

You will also be compensated for your time!
